	Alcohol (%) 14.5
	Volume 75cl
	Região Alentejo
	Serve at 12-18°C

Description

Tasting Notes: Elegant nose of mineral character, with notes of blackberries, dark chocolate and some vegetable suggestions to give freshness. In the mouth comes bulky with very tannins and silky texture. At the end it shows some tension to give freshness and to prolong the end.

Other Comments: It has the potential to age old in the bottle. Throw the bottles in a cold cellar. Consume at a temperature of 16°-18°.
