

Vinha dos Arcanjos

Brand: Quinta dos Frades

Price: €9.50

Short Description

Touriga Franca is an important dark-skinned grape variety used in the production of [Port](#) and dry red wines from Portugal's [Douro](#) wine region.

	Wine type Red
	Alcohol (%) 14.5
	Volume 75cl
	Region Douro
	Serve at 12-18°C

Description

Touriga Franca is more aromatic and lighter bodied than Touriga Nacional, though lacking sufficient intensity and concentration to make it a blockbuster variety. Its origins are unclear and its name misleading, for Touriga Franca is not a French grape. It seems most likely that Touriga Franca is either a mutation, or a crossing of Touriga Nacional and an unknown parent.
